Amendment under 37 CFR §1.312

Sir:

In the Office Action mailed from the USPTO on 4/6/2006, at item 4, page 4, the Examiner suggested that the application be retitled as: "Compositions for Solid Freeform Fabrication". In an Applicant's response, dated 11/10/2006, at page 2, the Applicant requested that the specification be amended to be retitled as: "Compositions for Solid Freeform Fabrication", in accordance with the Examiner's previously-suggested title. However, in the Notice of Allowance and Fee(s) Due, mailed on 9/20/2007 from the USPTO, the Title of the Invention still indicates "Chemicals Compositions".

It is not believed that additional fees are due at this time; however, if any additional fee is required in connection with the filing of this Amendment, please charge the fee to Deposit Account No. 08-2025.

Respectfully submitted,
Isaac Farr et al.
